

Artich Fragrances

Manufacturers of floral concretes and absolutes

OVERVIEW

We manufacture the high quality floral concretes of Jasmine Sambac, Jasmine Grandiflorum, Tuberose as well as other plant based extracts. Natural by nature, all our products are of the finest grade international quality

OUR ADVANTAGE

The soil in the Nilakottai region is rich in sulphur and laterite. This yields the best jasmine flowers and unique fragrance.

We have a strong relationship with the local farmers and have first access to the higher quality flowers
