## BAJAJ Group Nagpur

Bajaj Steel Industries Limited (BSIL) a company of Bajaj Group of Nagpur India was established in 1961. It is a Public Limited Company listed on Bombay Stock Exchange. With about six decades of experience and expertise BSIL has a world-class engineering facility with diversified sectoral presence i.e. cotton ginning, pressing, delinting, decortivating machinery, civil & steel buildings, electrical panels, spare parts, Warehouse Conveyor, Fire Fighting System etc.

BSIL manufactures world class machineries in technical collaboration with Central Institute for Research on Cotton Technology ICAR, Govt of India (CIRCOT) and Continental Eagle Corporation USA. BSIL is a leading global engineering player and turnkey solution provider in its sector of operation with over 40,000 sq mt workshop on land area of around 32 acres.

BSIL is the only Company in the world producing machineries for all the Four Ginning Technologies viz. Single Roller, Double Roller, Rotobar & Saw Gin Technologies and all the Pressing Technologies viz. Down Packing, Up Packing & Horizontal Packing under one setup.

The IMPCO Delinting & Decortivating plant machinery manufactured by BSIL are best in the sector. The robust construction and excellent engineering provides highest benefit to its users.

BSIL is now also an established player in the sectors of Pre Engineered Steel Buildings / Infrastructure, Electrical Panels, Industrial Fans, Hydraulics, Speciality Conveyors, Fire Fighting Systems and provide turnkey solutions to Cotton Ginning, Pressing, Delinting, Decortivating & other sectors.

### BAJAJ Pre Engineered Steel Buildings

#### BAJAJ ONE STOP SOLUTION FOR PRE ENGINEERED STEEL BUILDINGS, CIVIL WORKS AND K-HOUSES

- PEB APPLICATIONS**
- Industrial Buildings
  - Warehouses
  - Storage Buildings
  - Highrise Buildings
  - Power Plant Structures
  - Parking Lots

- K-HOUSE APPLICATIONS**
- Labour Housing
  - Primary School Buildings
  - Primary Health Centres
  - Site Offices
  - Security Cabins
  - Staff Quarters

### BAJAJ Steel Civil Works

#### Pre-Fab House / Cost effective / Instant Installation

Cost effective Pre-fabricated house is built with light weight steel frames and sandwich panels as wall and roof which can be installed instantly.

PRE FABRICATED K-HOUSE  
EASY, FAST, TAILOR MADE FOR YOUR CONVENIENCE
